

Okay, I want to register! What do I have to do?

Payments can be made via bank transfer (click 'Registration' in the upper menu) or via PayPal. PayPal will cost you 1 EUR extra fee, sorry for that. If that is what you want, ask me for the email address to send it to. **DO NOT USE THE CONTACT EMAIL ADDRESS** since there is no PayPal account connected to it.

You will receive your activation code immediately after I receive notice that a payment has been made.
